

GP Resource

What is the 'Dizzy Clinic' ?

The leading, and only dedicated, vertigo and balance clinic across the Illawarra, South Coast. and Southern Highlands, providing treatment and management for all vestibular and dizziness conditions.

Vestibular physiotherapists - Jordan Loveridge, Peter Naseby, and Luke Besgrove

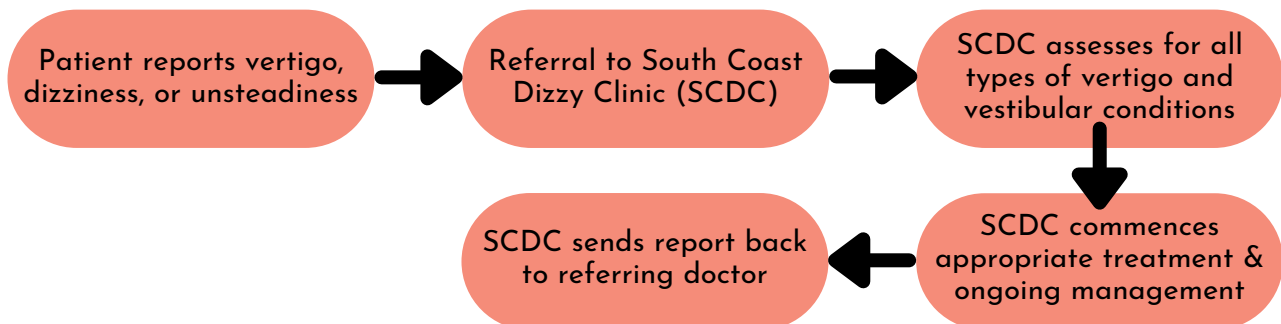

What patients to refer?

We currently triage and manage the dizzy/vertigo patients for the regions ENTs and Neurologists. We see all type of dizziness

- BPPV
- Vestibular Migraine
- Vestibular Neuritis
- Concussion
- Headache & Migraines
- PPPD
- Meniere's Disease
- Vestibular Hypofunction
- General imbalance

We can see any of your 'dizzy patients', and are happy to thoroughly assess them and provide our opinion and commence appropriate management

GP vestibular patient pathway
